Summary: What happened after Phil filmed Dan in bed with the Haru Pillow. Phan. Drabble. Fluff.

The After Video Effect

After filming Dan with the haru pillow, Phil flops down beside Dan and gives him a kiss on the nose.

"You're such a nerd"

"Yeah but I'm your nerd" Dan brushes Phil's hair out of his eyes, similarly as he did to the haru pillow moments ago.

"Wouldn't have it any other way" Phil moves closer and kisses Dan.

"Phil" Dan breaks away from the kiss. "Is the camera still rolling?"

"Umm, oh no I think it might be" Phil jumps out of bed realizing that the camera recorded the after video cuddle session.

"I guess I'll edit that out" Dan sat up in bed.

Phil didn't say anything, instead he just jumped back onto the bed and continued to cover Dan in kisses.

"You're the best boyfriend I've ever had" Dan replied before continuing to kiss Phil.

"The only one" Phil quickly said.

"And I wouldn't change that for the world" Dan uttered as he became entranced in Phil's kiss.

"Want to guess where the best boyfriend ever is going to go now?"
Phil said in his deep voice and a smirk.

"Where?" Dan said slyly

"Just watch" Phil replied with a smug but sexy look on his face and
leans into Dan.

But what they both didn't realize is that Phil _still_didn't turn off
the camera.
